Welcome to the 23rd Annual Firecracker Open!

Tournament Scramble Rules:

- **TEAMS MUST SCORE DIGITALLY AS YOU PLAY** in order to be eligible for prizes. Any teams not inputting scores will be assumed to not be turning in a card. Please use this code (use camera on phone) or go to **scrolf.com,** and find the Firecracker Open to score) on your phones to enter scores for your team each hole and see how everyone else is doing! Teams can still ALSO turn scorecards in immediately following your round to collect any raffle prizes or awards.
- All players tee their own ball (Men from silver tees, Women from copper tees)
- Course rules and USGA rules apply. Out of Bounds (white stakes) is stroke and distance, Hazards (red stakes) are one stroke penalties with a free drop (if not played from the hazard)
- All players play from the best shot, and then from the next best shot, etc until the ball is holed (no gimmees) one score recorded for the group.
- **Maximum score is bogey** (once bogey is reached pick up your ball and proceed to the next hole). If you purchased a mulligan only those who bought it can use it. Please keep pace of play (stay up with the group in front of you).
- Players may move the ball in any direction one club length, no closer to the hole, and must stay in the same surface (ex: cannot move ball from rough to fairway, hazard to rough, etc). Once on the green all putts must be made from same spot
- Tiebreakers to determine winners (if necessary): best score on #1 handicapped hole on Silver Tees (#4), then #2 handicapped hole, etc
- **In case of rain**, try to wait it out and continue, we will not cancel the tournament unless the course is closed! If the course closes during the tournament, we may go with completed or 9 hole scores to determine the winners.
- **Hole Contests:** Closest to pins on holes #5 & #11. Women's long drive on hole #4. Men's long drive on hole #2. There is also a charity contest on #18.
- Prizes for top 3 teams, contest winners, raffle winners, etc will be in clubhouse after your round.
- There is free beer, seltzers, water, etc DURING play from our 2 dedicated **Sponsored Beverage Carts** – please tip (sponsored by: **Florida Central Credit Union** & **Law Offices of Fiallo & Sanzo**). There is also a course beverage cart selling other drinks, liquor, etc.
- We are all out here to have fun! Be honest with scores and rules!

On course questions? Text Chris at 727-420-6868
